CONDUCTING AN ANALYSIS OF THE ENTITY'S CURRENT PUBLIC IMAGE, INCLUDING OPINION POLLS, ONLINE REVIEWS, CUSTOMER FEEDBACK, OR OTHER RELEVANT SOURCES OF INFORMATION

H&M (Hennes & Mauritz) is a Swedish fashion company known for offering affordable fashion and adopting current industry trends. It has become one of the largest and most well-known fashion retail chains in the world. It offers products for women, men, and children alike. Additionally, H&M features home decor items, as well as beauty products. The company is renowned for its rapid ability to adapt new fashion trends and present them in stores at affordable prices, attracting a wide range of consumers.

IDENTIFYING AND CLARIFYING THE ENTITY'S IDENTITY, ITS MISSION, AND THE CORE VALUES THAT DEFINE IT.

H&M aims to offer buyers affordable, high-quality fashion. The company expresses a commitment to diversity and inclusion, thereby addressing a variety of styles and sizes in its collections and promoting a diverse image in its advertising campaigns. Additionally, H&M is known for its ability to deliver products quickly and for its constant innovation in store design and concept.

The company monitors and rapidly adopts current fashion trends, presenting the latest collections in stores. H&M provides products at affordable prices, allowing consumers to make frequent purchases. Additionally, the company reduces its environmental impact through various initiatives, including the promotion of recycled materials in production and the collection of used clothing.

DEFINING AND DETAILED DESCRIPTION OF THE ENTITY'S TARGET AUDIENCE, INCLUDING DEMOGRAPHICS, INTERESTS, AND PREFERENCES.

The target audience of the company H&M consists of young people and adults aged between 15-35, representing the main target audience segment; however, H&M also offers options for children, teenagers, and older individuals. The company targets both men and women, ensuring a diverse range of fashion for both sexes. Medium- and low-income consumers are part of the target audience due to its positioning as a provider of affordable fashion.

The H&M audience consists of fashion-conscious consumers who want to stay up-to-date with the latest trends. They are attracted to the frequently updated collections and the rapid production cycle approach, while also seeking sustainable fashion options and being concerned about environmental impact. H&M's target audience includes consumers who prefer to update their wardrobe more often, thanks to affordable prices and a diverse offering. H&M promotes diversity and inclusion in fashion, thereby attracting consumers interested in the representation of various styles, cultures, and shapes.

DEVELOPING KEY MESSAGES THAT AUTHENTICALLY REFLECT THE ENTITY'S IDENTITY AND VALUES, AND THAT ARE SUITABLE FOR EACH TARGET AUDIENCE SEGMENT.

- "Experience fashion in a unique way with H&M"
- "Your style, just a click away - H&M brings fashion directly into your home."
- "Connected through fashion - follow the trends on social media and shop with H&M."
- "Affordable elegance - explore the designer collections at H&M."

IDENTIFYING THE APPROPRIATE COMMUNICATION PLATFORMS AND CHANNELS TO REACH THE TARGET AUDIENCE, SUCH AS THE WEBSITE, SOCIAL MEDIA NETWORKS, PRESS CONFERENCES, MARKETING MATERIALS, ETC.

"H&M Website: The main online point of contact for information regarding products, collections, special offers, and policies.

Social Media Networks (Facebook, Instagram, Twitter, TikTok): Direct communication with consumers, promoting new products, sharing fashion content, interacting with the community, and responding to customer feedback.

Online Advertising (Google Ads, Display Advertising): Promoting products and the brand online, targeting the target audience based on browsing behavior.

DEVELOPING A COMMUNICATION STRATEGY THAT INCLUDES PLANS FOR PROMOTING KEY MESSAGES AND MANAGING POTENTIAL IMAGE CRISES.

Messages that can appear as online advertisements, alongside frequent posts to keep the public up to date with the latest collections, campaigns, and events. Reacting promptly to customer inquiries and feedback. Sending newsletters with special offers, news, and personalized content. Regularly updating content, including articles about sustainability, fashion guides, and information about in-store events.

To manage image crises, a crisis communication plan must be developed with clear procedures and well-defined responsibilities. Active communication with the press, customers, and stakeholders to explain the situation and ensure trust.

DEVELOPING VISUAL AND CONTENT MATERIALS, SUCH AS VIDEOS, IMAGES, ARTICLES, PRESS RELEASES, OR OTHER MARKETING MATERIALS THAT SUPPORT THE DESIRED PUBLIC IMAGE.

ESTABLISHING PERFORMANCE MONITORING METHODS FOR THE CAMPAIGN AND PUBLIC FEEDBACK TO EVALUATE THE EFFECTIVENESS OF THE COMMUNICATION STRATEGY.

Feedback is an important stage when we want the campaign to be successful. This will be gathered with the help of questionnaires that will be sent online to people who have made purchases on the H&M website or through the application. After collecting the feedback from customers, it will be possible to implement a more effective communication strategy.

Deadline for project completion: 25.02.2024

Total budget available for the project: \$200,000

A clear and authentic description of the entity's public image: An affordable fashion brand for every consumer.

A detailed and personalized communication strategy to improve the public image: Communicating through various social media platforms, online banners, and advertisements that will include the company's key messages, which will attract more customers.

Relevant and attractive communication materials for the target audience: Advertisements, social media posts, posters, etc.

An effective approach for managing and strengthening the public image in the future: Rapid crisis management, transparency.
